If you've ever watched the sailboats on San Diego Bay and wished you were on board enjoying the salt air breezes, Convair Sailing Club can make your dreams come true.

The Convair Sailing Club is a unique organization in the world of sailing clubs. Not a commercial business, It is a group of like-minded folks banded together by the joy of sailing and "messaging about in boats". It is wholly owned by the members themselves and has no paid employees or officers. Costs of the Club are covered by modest annual dues and minimal boat use fees, apportioned as the boats are used.

Fleet consists of ten 21' Victories and six 23' Ensigns
